## GRANDDAUGHTER

(Joke geared to a man) I was out with my Granddaughter the other day, who's almost seven. I took her to a food court, and was starting to feel pretty special, because all morning, young women had been smiling at me and giving me the eye.

Getting up to leave the table, I ran my fingers through my hair—and discovered a big yellow-ducky barrette that had been lovingly placed there early that morning.

just in time to escape without any harm!"

The salesman continue to prod the farmer about the pig's wooden legs. "Well," the farmer replied, "this pig is just like one of the family. He's a really great pig. A couple of weeks ago, our youngest boy fell in the creek, and this truly wonderful pig fished him out just in time to save him from drowning! He's one really great pig!"

The salesman, starting to lose his patience, again inquired about the wooden legs, to which the farmer replied, "Last week, I fell off my horse and my foot got caught up in the stirrup. This great pig ran along side of the horse and me and untangled me and truly saved my life. What a great pig - the greatest pig in the world!!!"

Losing his patience, the salesman finally shouted, "All right already, That's enough! He's a really great pig - a REALLY great pig! But what about his wooden legs?!"

To which the farmer replied, "Well now, a great pig like that - you don't eat him all at once!"

## **Side by Side**

Oh, we ain't got a barrel of money.

Maybe we're ragged and funny

But we'll travel along singing a song – Side by side

Don't know what's coming tomorrow.

Maybe it's trouble and sorrow

But we'll travel the road sharin' our load – Side by side

Through all kind of weather.

What if the sky should fall

As long as we're together,

It doesn't matter at all

When they've all had their quarrels and parted

We'll be the same as we started

Just to travel along singing a song - Side by side

## **A TRULY GIFTED PIG**

A travelling salesman drove past a farm one day and noticed a pig with one wooden leg. He didn't think much of it until a week later, driving by the same farm, the pig had two wooden legs. The third week, the pig had three wooden legs, and finally, after seeing the pig the fourth week with four wooden legs, he had to stop to inquire about it.

He tracked down the farmer and asked him about the strange sight. The farmer told him, "Well, that's the greatest pig alive. About a month ago, he saved my wife and kids and me from our burning house by waking us up in the middle of the night

Well, we got married last Friday  
My new wife stood beside me  
When the guests had gone home  
We stood alone – Side by Side  
We were glad we were wed then  
We got ready for bed then  
Her teeth and her hair  
She laid on a chair – Side by Side  
One glass eye so tiny, one hearing aid so small.  
Then she took one leg off, and put it on the chair by  
the wall  
I looked on broken hearted,  
For most of my wife had departed  
I slept by the chair,  
There was more of her there – Side by Side  
Side - by - side

She replied, "I am sorry, it is just that you look so much  
like my third husband!"  
The man felt bad. "I'm sorry. If you don't mind me  
asking, how many husbands have you had?"  
"Two" she replied.

### **SUPER SEX**

For his birthday, Robert's son secretly hired a call girl  
for him. When he answered the door she was standing  
there in a slinky black dress, and said "I'm here to give  
you super sex."

After thinking for a minute Robert replied "I guess I'll  
have the soup."

### **COOKING**

So many of you know that Robert likes to cook. After  
the news last night, he got really quiet. Cynthia asked if  
anything was wrong.

"Yes," he replied. "They just said on the news that they  
are talking about banning baking products?"

She patted his hand reassuringly and said, "That's  
vaping products."

## **GOD AND THE PARKING SPOT**

David Ragan ran out to Frys during his lunch break, and couldn't find a parking space. "Lord," he prayed. "I can't stand this. If you open a space up for me, I swear I'll give up the drink and go to church every Sunday." Suddenly, the clouds parted and the sun shined on an empty parking spot. Without hesitation, David said: "Never mind, I found one!"

## **A LOGICAL CHOICE**

A man had just moved into Plaza View, and was was unpacking his stuff into his room, when he noticed that the woman in the room across the hall was staring at him. He thought it was odd but decided not to let it go. Later that night, he went to the Bistro to get dinner, and there she was again. No food, just at the table next to him - staring.

After eating, he went into Cahoots for Happy Hour. He was enjoying the music until he noticed the woman in the room . . . again staring at him.

He approached her and said "Ma'am, I couldn't help noticing that you have been staring at me ever since I arrived. Could you please stop, it is a bit bothersome."

## **In my Easter Bonnet**

In your easter bonnet, with all the frills upon it,  
You'll be the grandest lady in the easter parade.  
I'll be all in clover and when they look you over,  
I'll be the proudest fellow in the easter parade.

On the avenue, Fifth Avenue, the photographers will  
snap us, and you'll find that you're in the rotogravure.

Oh, I could write a sonnet about your easter bonnet,  
And of the girl I'm taking to the easter parade.

**PARODY** We have our Easter bonnet,  
but nowhere safe to don it,

This Co Vid has us shut down for the easter parade.

At Elaine's we'll wear it,  
and only there we'll share it. We'll wear our  
bonny cap to our own Easter Parade.

At Central Park, our Central Park, Chuck Beaujon  
will snap us, and you'll find that you're in the  
Roadrunner for sure.

Oh we could write a sonnet, about our easter  
bonnet. The only place we get to wear it is here.

## **Phfft! You were Gone**

I miss you so much, the taters need diggin',  
The corn in the field-it needs pickin' now.  
How well I recall the first time I saw you,  
You looked so pretty a pullin' the plow.

### **[ REFRAIN ]**

Where, Oh where are you tonight?  
Why did you leave me here all alone?  
I searched the world over  
and thought I'd found true love.  
You met another and phfft, you were gone!

### **PARODY**

I went to have lunch, and sat at the Bistro.  
I ordered my food, and sat down to wait.  
How was I to know, it wouldn't come till next  
Tuesday.  
I just looked silly with my empty plate.

## **OLD PHOTO**

My wife was going through stuff the other day, and found two black-and-white negatives in a drawer. She then made into prints and showed them to me. The photo was of a younger, slimmer us taken on one of our first dates. When she showed me the photographs, she was pleased that my face lit up - until I said "Wow! It's my old Plymouth."

## **PASSWORD REMINDER**

As many of you may know, David Ragan is technically challenged. We were setting up for Studio last week and his laptop went to sleep. When he moved the mouse, it woke up and asked him for the password, so he asked Troy. Troy said it was taped under the laptop.

After three failed attempts to log on, he asked, "Am I spelling this right? T-A-P-E-D-U-N-D-E-R-T-H-E-L-A-P-T-O-P"

## **A TURTLE AND THE SNAILS**

A turtle was crossing the road when he was mugged by two snails. When the police showed up, they asked him what happened. The shaken turtle replied, "I don't know. It all happened so fast."

## HUNTING GONE WRONG

Joe Kane was hunting with his friend, and they were both out in the woods when his friend collapsed. He wasn't breathing and his eyes are glazed; so Joe other guy whiped out his cell phone and calls 911. "I think my friend is dead!" he yelled. "What can I do?"

The operator said, "Calm down. First, we need to make sure he's dead."

There's a silence, then a shot. Back on the phone, Joe said, "OK, now what?"

## CONFUSED POODLE

Two dogs, Jasmine and Benjie, were outside the Bistro when Benjie suddenly unloaded on his Jasmine. "My life is a mess," he says. "My owner is mean, my girlfriend ran away with a schnauzer from Central Park, and I'm as jittery as a cat in a roomful of rocking chairs."

"Why don't you go see a psychiatrist?" suggested Jasmine.

"I can't," said Benjie. "I'm not allowed on the couch."

## When You're Smiling

When you're smiling, when you're smiling,  
The whole world smiles with you.

When you're laughing, when you're laughing,  
The sun comes shining through.

But when you're crying, you bring on the rain,  
So stop your sighing, be happy again.

Keep on smiling, 'cause when you're smiling,  
The whole world smiles with you.

## [ REFRAIN ]

At the Campus, at the Campus  
We laugh and sing as one.

At the Bistro, at the Bistro  
We all have lots of fun.

Once in awhile, we all have our pains  
But we're together - and happy again.

So keep on laughing. Cause when you're laughing  
The Campus laughs with you.

## **BLOCKBUSTER**

David Ragan was so flattered the other day. He went to the store the other day, and there was a cute blonde behind the counter - she actually asked for his ID. As he pulled out his ID, his Blockbuster Video Membership card fell on the counter and she said "Oh, never mind."

## **TALKING DOG FOR SALE**

Robert put up a sign that read "Talking Dog for Sale." David Ragan was intrigued, and he walked in. He sat down with Jasmine.

David asked the dog, "So what have you done with your life?"

"I've led a very full life," said Jasmine. "I lived in the Alps rescuing avalanche victims. Then I served my country in Iraq. And now I spend my days reading to the Plaza View residents."

David was flabbergasted, and asked "Why would you want to get rid of an incredible dog like that?"

Robert answered, "Because she's a liar! See never did any of that!"

## **CHICKEN FOR DINNER**

David went to the audiologist, and said "Doctor, I think Joe is getting hard of hearing."

The doctor said "There's a simple test you can run to see how bad the problem is: Start out 40 feet away from him, and in a normal conversational speaking tone say something and see if he hears you. If not, go to 30 feet, then 20 feet, and so on until you get an answer."

David came back to Beatitudes, and Joe was in Elaine's. As David entered, David asked in a normal tone, "Joe, what's for lunch today?"

No response.

So he came into Elaine's and closed the door, and repeated. "Joe, what's for lunch?" Still no response. He moved a few steps closer. "Joe, what's for lunch?" No response, so he moved even closer. "Joe, what's for lunch?" Again, there was no response, so he walked right up behind him. "Joe, what's for lunch?"

Joe turned around, and said "For the fifth time, David, CHICKEN!"
